

Covid-19 Testing Locations

There are numerous testing sites throughout the County. Some are doing Anti-body testing as well as COVID-19 PCR. The [Live Testing Location Map](#) ^[1] identifies the type of testing each site is equipped to do.

Please call ahead for testing hours and other pertinent information. Also make sure to confirm with the testing location how and when you will receive your results as each location may have a different process.

Testing is available at the following facilities:
