Want to have an adventure this summer? Get out of town and learn something new? You are in luck! College OPTIONS has a scholarship that will help you pay for academic summer programs that are taking place in California or beyond. Students have the opportunity to live in dorms, have a roommate they don't know, meet faculty and staff from the college, and take classes in specific subjects that usually aren't offered in high school (they may even receive college credit for attending). There are hundreds of programs out there! If you are interested in seeing a partial list of possible programs, there is a list on the College OPTIONS website at [www.collegeoptions.org](http://www.collegeoptions.org). Scholarships are worth the cost of the tuition/housing for the program or \$2,500, whichever is less. Application is due March 21st and is available online at [northstatescholarships.communityforce.com](http://northstatescholarships.communityforce.com). Please see Rose if you have questions.
