Web Posting Required for 2013-14 Economic Impact Aid Funding

Economic Impact Aid (EIA) funding provides supplemental funding to support additional programs and services for English learners and economically disadvantaged students. Districts are required to prepare an allocation plan each year, which shows how funds are distributed based on "need." There are a variety of options for the allocation plans including allocating based on grade spans, differential amounts based on the demographics of each site, and/or splitting funds between EIA-State Compensatory Education (SCE) for disadvantaged students and EIA-Limited English Proficient (LEP).
